

LIST OF TABLES

Table No.	Name	Page No.
Table 4.1	Network Parameters for fault classification and location identification	29
Table 4.2	Training results for fault detection and classification	31
Table 4.3	Training results for fault location identification	31
Table 4.4	Fault classification and classification results	32
Table 4.5	Fault detection and classification network performance	32
Table 4.6	Fault Location Identification network performance	33
Table 5.1	Performance of function Approximation network for fault location identification	34
Table 5.2	System Configuration and price	36
Table 5.3	Software configuration and price	36
