

LIST OF TABLES

Table No.	Name	Page No.
Table 4.1	Network Parameters for fault classification and location identification	29
Table 4.2	Training results for fault detection and classification	30
Table 4.3	Training results for fault location identification	31
Table 4.4	Fault detection and classification results	32
Table 4.5	Fault detection and classification network performance	32
Table 4.6	Fault Location Identification network performance	32
Table 5.1	Performance of function Approximation network for fault location identification	33
Table 5.2	System Configuration and price	34
Table 5.3	Software configuration and price	34
